ALLIED NAMED REGIONAL INTEGRATOR OF THE YEAR BY HONEYWELL

SPOKANE, Wash. (April 20, 2009) – Allied Fire & Security was named 2008 Regional Integrator of the Year for the Northwest by Honeywell Integrated Security.

Ken Frank, Honeywell's northwest regional sales manager, presented the award to Vice President of Operations, Craig Summers and Enterprise Solutions Group Manager, Jason Weidman.

"We're very honored to be recognized by Honeywell with this award," Summers said.

Allied's Enterprise Solutions Group leads the company in integrating information technology components and infrastructure into traditional security management systems, such as video surveillance and access control.

Our 60 years of experience in the quality design, assembly, testing, installation and maintenance of security systems has proven that Allied's services and resources meet the specific needs of our customers. We have developed the infrastructure necessary to deliver systems and support on time and within our customers' budget. We're committed to resolving problems quickly 24 hours a day, 7 days a week.

Please contact Allied Fire & Security's Spokane office for more information.

Allied Fire & Security has been providing life safety, security and communications solutions throughout the Pacific Northwest for 60 years.
