FINALLY A GREAT SOLUTION FOR OUTDOOR SECURITY IN REMOTE AREAS

Did you know there is innovative affordable outdoor security designed for locations that do not have electric power or phone lines? Allied brings this long awaited new technology to the Northwest. This wireless, battery operated security system works like most all other burglar systems but also verifies what triggered the alarm. 'MotionViewers' can be permanently installed or set up for mobility. Within seconds of intrusion, our monitoring center is notified of the alarm. Both you and our monitoring center receives a short video of the event actually happening. You can check if it is a person or an animal on your site and alert the authorities and have verification! Videofied is ideal for fenced lots, roof tops, vehicle lots, construction yards, copper theft prevention, and most remote areas.

WIRELESS VIDEOFIED SENSORS CAN BE INSTALLED WHEREVER SENSORS/CAMERAS ARE NEEDED.

- Video verification of a burglary means faster police response to a crime.
- The sooner law enforcement arrives on scene, the less time intruders have to inflict injury, steal or damage property.
- Faster response times lead to more arrests and lower insurance claims.
- No wires to cut. Reliable wireless performance means that even if the 'MotionViewer' is removed by an intruder, it can continue transmitting video for police response.

We are excited to bring this proven effective technology to our region. With more than 1,000,000 installations in over 60 countries around the globe, Videofied is quickly being recognized for the advantages it brings to entire communities.

Please call us for more information.

WE LOVE REFERRALS!

REFER A FRIEND & GET THREE MONTHS FREE MONITORING!

Simply refer a friend and receive 3 months free when they purchase a security system. Call your local branch for more information.

ARE YOU A MONITORED CUSTOMER & IN NEED OF NEW YARD SIGN OR WINDOW DECALS?

One of your first lines of defense is the burglar and fire alarm sign and window decals alerting intruders that your business or home is protected by an Allied Fire & Security intrusion system. Over time your sign and decals may fade or you may have decided that you would like to enhance the level of awareness that your property is protected by a security system, if so please contact your local branch. The following conditions apply.

*Please provide your account number (this number is located on the upper right of your monitoring invoice) and/or account name and address. Yard sign quantities are limited to a maximum of 2 (two) signs. Window decals are limited to a maximum of 4 (four) stickers. You may pick up yard signs and/or stickers at your local Allied Fire & Security office, free of charge. If you'd like your yard signs and/or stickers mailed a \$10.00 fee, plus sales tax, if applicable will apply.

**Please note, only current Allied Fire & Security customers with an account in good standing may place an order.

DO YOU HAVE A HONEYWELL TOTAL CONNECT ® SYSTEM, BUT ARE NOT GETTING SECURITY NOTIFICATIONS TO YOUR SMARTPHONE?

Imagine how convenient it is to get an alert to your iPhone or Android phone or your tablet when a security event occurs. This is one of the best ways to personally monitor your home.

Some of the features of the app are:

- Real time notification if a burglar or fire alarm is activated.
- Notifications if someone has entered your home, such as when your children get home from school.*
- Forgot to activate your alarm? You can activate it from your app.
- Turn on your heater's thermostat on your way home from work.*

While you may have 24/7 alarm monitoring, there is an added level of safety by getting notifications in real time when a security event occurs in your home. In addition, you can build out your security system with a variety of Zwave devices over time to enhance your security and provide home automation, such as digital locks, light controls, temperature controls, and much more.

Contact a security consultant today to talk about how the app can help give you added peace of mind at 800.448.8448.

*These features may require added equipment and costs if you do not already have the devices.

BUY ONE WIRELESS SMOKE OR CARBON MONOXIDE (CO) DETECTOR & GET ONE FREE!

Contact us today to get your FREE Wireless Smoke or Wireless Carbon Monoxide (CO) Detector* when you purchase a Wireless Smoke or Wireless CO Detector for your existing burglar monitored system.

This offer may also reduce your home insurance premiums by up to 20% (with monitored alarm system)!

*Applies to existing Allied burglar monitored account location only with wireless compatible equipment. Requires new 36 month monitoring agreement. Offer not applicable to previously purchased systems or products. See other conditions of the offer below.

ONE OF THE BENEFITS OF OWNING AN ALLIED ALARM IS THAT YOU CAN AFFORDABLY ADD SMOKE SENSORS OR CO SENSORS TO YOUR EXISTING SYSTEM.

With our fire protection offer we make it both easy and affordable to get 24/7 protection. Protect lives and property with smoke sensors that are connected through your existing alarm system. In the event of a power outage these smoke sensors will continue to operate for a limited time through your alarm system battery back-up. Contact us today for this special promotion!

*Conditions: New 36 month monitoring agreement required. Commercial fire systems do not qualify for this offer. Installation and programming is free of charge. Applies to locations that are within 30 miles from an Allied office location. If outside of this area then travel charges will apply and be quoted prior to scheduling. This promotion only applies to systems that are wireless compatible. Some exclusions may apply depending upon Panel and System type or device pricing and availability. Please contact us for more information. Promotional offer can be used one time only. Buy one get one offer equates to purchase of one CO and/or one smoke detector free. Customer will be invoiced for the device with a greater value.

*Additional Smoke or CO sensors may be added at Allied's standard list price (for product and installation), but we will apply 10% off on any additional device's and parts, and 20% off any additional labor, in performing services requested in conjunction with this promotion; as approved by a Customer Care Center representative and/or onsite Technician.

*Exclusions may apply. For qualified systems only. Not all systems capable of supporting specials due to wireless capability, system make/model, or available panel space for additional devices. Appropriate Customer Service or Sales Representative will attempt to provide alternative suggestions if this offer is not suited for current system capabilities upon request.

*Promotional offers valid April 01, 2017 thru June 30, 2017
